Physical Education Report 2020/2021

Sports Premium Money

All schools have been receiving a sports premium grant since October 2013. This money is being given to schools to be used to make measurable and sustainable improvements in school PE and sport, underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

For 2020/21 we have received £19,521 (Last financial year April 2020-March 2021)

What have we used our grant for:

Covid-19 has had a significant impact on the way that the PE budget has been spent during this financial year. Organised events have been specifically impacted.

- Professional development for teachers, working with the PE co-ordinator and attending external courses.
- Active Fusion subscription for all competitions, advice and some training.
- Staff INSET development days
- Subsidies for transport to competitions
- playground equipment and storage
- Equipment and resources for extra curriculum activities, competitions and lunchtimes.
- Introduction of new outdoor equipment
- Introduction of Yoga (Good mindfulness)
- Outdoor classroom/sports pavilion (committed project) £9,291.07

Respect Challenge Enquiring minds Confidence

Schools must use the funding to make additional and substantial improvements to the quality of PE and sport they offer. The 5 key indicators that schools should expect to see improvements across are:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The Profile of PE and sport is raised across the school as a tool for whole school improvements.
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
4. 4. Broader experiences of a range of sports and activities offer to all pupils.
5. Increased participation in competitive sport.

Spend break down in detail

At Sunnyfields our PE budget is broken down into 4 key areas: Transport, General materials, Subscription and Professional services.

How PE is delivered at Sunnyfields

- 2 PE sessions a week
- 1 indoor session and 1 outdoor to be planned around teacher's timetable.
- 2 good quality 60 min PE sessions.
- Teachers follow a scheme of work
- The same genre of PE is delivered across the whole school at the same time.
- Please see the yearly time table below:

	Autumn Term	Spring Term	Summer Term
PE session 1	Gymnastics	Dance	Athletics
PE session 2	Games	Games	Games

- Year 5 attend swimming on Tuesday afternoon during the whole of Autumn term and the first term of Spring.
