

Reading Record Guide Sheet

All children have a reading record (sometimes we call this their planner)

As you read with your child, we would like you to write in their Reading Record. This will give us an insight into how much reading your child is receiving and their wider interest in books. You can write about their weekly reading book, their library book or any other books, magazines, comics etc they have read at home.

In this section, you would write the name of the book etc your child has read and you can also include the page numbers. Then you can leave a comment in the box, telling us how you think your child did with their reading, anything you think they need help with or what they enjoyed about the book. This will give us something to talk about when we read with your child.

Throughout the Reading Record there are some bonus pages that are useful and will help you child with their read. Included here are the top common words that your child will need to know and a handy guide full of superb tips to help your child be “on their way” with their reading.
